Counsel is concerned about having Mr. Chandra sentenced before more is known of his diagnosis and treatment plan(s) for the above-listed conditions because of the impact that any diagnosis might have upon the sentence Your Honor finds appropriate to impose on this 81-year-old defendant.

Accordingly, and respectfully, with the Government's consent, counsel requests that the Court adjourn sentencing to a date in mid-October 2023. Thank you for your consideration of this request and continued courtesies to counsel.

Respectfully submitted,
